

2018-19 Beautification Day Ministry Schedule

The Lord has blessed us with a church and a multi-purpose building for ministry and we want to keep them beautiful for His purposes. Psalm 96:6 says "Splendor and majesty are before Him; strength and beauty are in His sanctuary." Both the Tabernacle and the Temple were beautiful structures created to incite worship. Beauty points to God. For this reason, let's all participate in keeping our buildings beautiful.

To have all God's people from the River's Edge to participate in the beautification of these buildings as part of our worship is a blessing. Again, this year, we have scheduled work days in which the whole body can participate. The upkeep of these buildings will take place on the following dates at 10 am. Everyone is invited to lend a helping hand in the beautification of our structures, so **mark your calendar**. We are glad to have this opportunity to fellowship and worship alongside each other.

As a Royal Priesthood, let us be skillful in tending to the details of the church, as we are in the King's presence.

They still kept bringing him freewill offerings every morning, 4 so that all the craftsmen who were doing every sort of task on the sanctuary came, each from the task that he was doing....
